Letter No. C1-347/43
dated the 24th November 1944 from
the Director of Food Supplies, requesting
approval for retaining the officials
of the Government Life Insurance Dept
and of the other departments in the
Food Department so long as their work
is satisfactory.

It is reported that
the Secretary, Government Life Insurance
department has been repeatedly urging
that the officials of his department who
are at present working in the Food
department may be sent back, as
the work of his department has been
suffering for want of experienced hands.
As most officials have already acquired
considerable experience of the work of
the Food department the Director of
Food Supplies states that they cannot
be sent back without serious
dislocation of work in the Food
department. He has therefore
requested approval to retain the
services of all such officials of the
other departments - in particular
of the Life Insurance department -
so long as their work is satisfactory
and desirable ~~and to get rid of~~ it

A circular letter may be issued to all the Depts that officials lent to the Food Deptt may be allowed to continue in the Deptt for the duration of the Food operations. In view of the large money interests in the Deptt it may not be desirable or possible to send back experienced men and run the Deptt with recruits.

Letter no 1328/ are dated the 28th Nov 1944 from the Secretary Mysore Government Life Insurance department requesting that all the officials of this department who are working in the Food dept may be ordered to revert.

1) In the circumstances detailed in the P.U.D. the proposal of the Secretary Insurance dept that all the officials of that dept who are at present working in the Food department may be reverted immediately, is for orders.

2) The letter of the Director of Food Supplies - No CR. 347-43/ dated 1-11-1944, referred to in Para 1, P.U.D. is under examination separately. In that letter the D.F.S. has stated that it is not possible to send back all the officials of the Insurance dept at this stage, as most of them have acquired valuable experience of the work of the Food Dept and are found to be useful. Orders on that reference may be awaited for the present. In the meanwhile, the Secy Insurance dept may be asked for [illegible]

Whilst any wholesale reversion would greatly dislocate work for the D.F.S. in the Food Dept. it should not be impossible to release in batches them, the Officials specifically named by the Deputy Secretary, who are particularly needed in the Insurance Dept.

The Deputy Secy. may be requested to send a list of such Officials to the D.F.S. who may arrange to relieve them in batches, as early as possible. Relief may be arranged in the order of priority suggested by the Dy Secy.

Office of the Director of Food Supplies in Mysore,
Bangalore, Dated 30th October 1944.

1. NOV. 1944

To

The Secretary to Government,
Development Department (Supplies),
Bangalore.

Sir,

GEN. DEPT. OFF. 1. NOV. 1944

Subject: Officials of the Govt. Life Insurance Department now working in the Food Supplies Department - their continuance in the Food Supplies Department.

I have the honour to state that certain officials of the Mysore Government Life Insurance Department have been appointed to posts in the various offices of the Food Supplies Department. All these appointments were made with the prior approval of the Insurance Department, the applications of the concerned officials having been received through the Secretary of the Insurance Department and the said officials having been relieved by the Secretary in response to orders of appointment issued by this Department. The Secretary Insurance Department, has since been repeatedly urging that the officials of his Department may be sent back since the work in his office, is suffering for want of experienced hands. The officials sent to this Department have acquired considerable experience of the work of this Department and they cannot be conveniently sent back at this stage without serious dislocation of work. Further, the Government have issued instructions that, as far as possible, appointments in this department should be made by borrowing the services of officials already working in other departments.

2. In the circumstances, I request that approval of Government may be kindly obtained to retain in the Food Supplies Department the services of the officials of the Government Life Insurance Department as also of other Departments now working in this Department so long as their work is satisfactory and enable them to get in their respective representative departments, the promotions they are entitled to as and when they are due.

I have the honour to be,
Sir,
Your most obedient servant,

K. Srinivasan
Director of Food Supplies.

D. No 3090/20

Re:the officials of the Insurance Department now working in the Food Supplies Department.

1) Adverting to letter No.CL.347-43 dated 1-11-1944 addressed to you by the Director of Food Supplies, I have the honor to state that a large number of experienced officials of this Department were lent to the Food Supplies Department last year, as it was considered that we had to co-operate willingly to facilitate the work of the Food Supply arrangements. But, due to scarcity of hands, no substitutes could be appointed in their places for a long time and this resulted in the accumulattion of arrears. Added to this, there was a heavy rush of business, which increased the work so much that it was almost impossible to run even the routine work of the office. Though some additional hands have since been appointed, the situation has not improved, as the work in this Department is of a technical nature and a recruit cannot easily pick it up.

2) In a commercial concern like this, promptness and service are of vital importance, and if the present state of affairs is allowed to continue, it is feared that much inconvenience to the policy holders will be caused. Accounts of the past six months have yet to be compiled, and over 4000 letters are pending disposal. Revenue Account, Balance Sheet and other

other statistical statements have to be prepared for the years 1942-43 and 1943-44; honorarium for the years 1942-43 and 1943-44 has to be calculated. It can be kindly seen that the work on hand is of considerable magnitude and hands who have had experience in this Department are required very urgently.

3) The Director of Food Supplies and the Deputy Commissioner, Food Control Section, Bangalore were repeatedly requested to send back as many of our officials as possible. The matter was also brought to the notice of Government and Government in their order No.Fl.3086/G.F. 25-43-4 dated 20-1-1944 (copy enclosed) have opined that while agreeing that all Departments were expected to co-operate in facilitating the Food Supply arrangements, this was not to be done at the sacrifice of the lending Department to such an extent as in the case of the Insurance Department.

4) In view of the above circumstances, I request that all the hands of this Department may kindly be ordered to revert to the Insurance Department, if not all at once, at least in convenient batches without dislocating the work in the Food Supplies Department, preference in the first instance being given to selected and experienced hands. There are some temporary hands working in this Department and in case any of these are willing to go to the Food Supplies Department, they will be released and sent immediately after the permanent hands report themselves here.

I have the honor to be,

Sir,

Your most obedient servant,

For Secretary,
Insurance Department.

Copy of Order No.Fl.3086/G.F.25-43-4 dated 20-1-1944 from the Financial Secretary to Government.

With reference to your letter No.1845 dated 23rd December 1943, I am directed to state that while Government agree that all Departments were expected to co-operate in facilitating the work of the Food Supply arrangements, this was not to be done at the sacrifice of the efficiency of the lending Department to such an extent as in the present instance.

I am to request that the report called for in para 2 of Government Order No.Fl.2088/89/G.F.125-43-2 dated 22nd November 1943 may be kindly sent to Government early.
